

PERSONAL
INFORMATION

SAYEH SHAHMOHAMMADI

 Szeged, Hungary

 +36 30 6843488

 Sayeh9410@yahoo.com

Place of Birth: Shahindezh/Iran

Marital status: Single

Spoken languages: Persian, Turkish, English, Kurdish, Norwegian (B1B), German (A2)

Sex Female | Date of birth 17/03/1983 | Nationality Iranian

WORK EXPERIENCE

January 2019-Present:

Researcher at Hungarian Academy of Science

March 2017-July 2017:

Trainee/Volunteer. Emir Eczanesi (Pharmacy). Cyprus (TRNC)

2014-2016:

Free Lance Tutor. Pharmacology, Pharmacotherapy, Pharmaceutical Chemistry. Cyprus (TRNC)

2014-2016:

Trainee Experience. Saglar & Akpinar Eczanesi (Pharmacy). Turkey & Cyprus (TRNC)

2008-2009:

Research Assistant. Faculty of Art & Sciences, Eastern Mediterranean University. Cyprus (TRNC)

2005-2007:

Laboratory Technician. Rama Electric Co. Iran

2003-2007:

Free Lance Tutor. General Chemistry, Organic Chemistry, Analytical Chemistry. Iran

**EDUCATION AND
TRAINING****2018-present**

University of Szeged, Faculty of Pharmacy, PhD of Pharmaceutical sciences
Research Area of Pharmaceutical Chemistry & Drug Discovery, Enzymatic Laboratory
Hungary, Szeged

2011-2016

Eastern Mediterranean University, Faculty of Pharmacy, Integrated 5-Years degree,
TRNC, Gazimagusa, CGPA: 3.54/4 High Honours

Status: 1st, 2nd, 3rd, 5th, 6th, 9th, 10th Semesters High Honour/ 7th Semester Honour

2008-2011

Eastern Mediterranean University, Faculty of Art & Sciences, Master of Chemistry,
TRNC, Gazimagusa, CGPA: 3.76/4

Status: High Honour

2003-2007

Urmia University, Faculty of Sciences, Pure Chemistry-Bachelor,

Iran,Urmia, CGPA: 12.07/20

Status: Satisfactory

1997-2001

Shahed High School,

Iran/Shahindezh, CGPA: 18.88/20

Status: High Honour

ADDITIONAL INFORMATION

Publication:

Removal of Trace Boron from Aqueous Solution Using iminobis-(Propylene Glycol) Modified Chitosan Beads.

Mustafa Gazi, Sayeh Shahmohammadi
Department of Chemistry, Eastern Mediterranean University, TRNC via Mersin 10 Turkey
Reactive & Functional Polymers 72 (2012) 680-686

Graduation Project:

Stress Granules and Neurodegenerative Diseases.

Advisor: Asst. Prof. Dr. Emre Hamurtekin
Faculty of Pharmacy, Eastern Mediterranean University, TRNC Via Mersin 10 Turkey, Gazimagusa
June 2016

Conferences:

Virtual Conference Held by Hungarian Foundation to Support Selectively the Organic Chemists, 10th of May 2020, Szeged/Hungary, Rewarded as the Second-Best Presentation.

25th International Symposium on Analytical and Environmental Problems, 7-8 October 2019, Szeged/Hungary, Poster Presentation.

1st Hungarian-Polish Interdisciplinary Scientific Symposium, The Pharmaceutical & Biological Potential of Natural Origin Substances, 26-27 September 2019, Szeged/Hungary.

International Alzheimer's Disease Reality Conference, 14th of April 2015, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

XXII International Chemistry Conference, 6-10 October 2008, Department of Chemistry, Eastern Mediterranean University, TRNC.

Seminars:

Functional Peptides Targeting Cell Membranes, Prof. Dr. Shiroh Futaki, Institute of Chemical Research, Kyoto University, Japan, 11th of December 2019, Szeged/Hungary.

Green Extraction of Bioactive Compounds, Prof. Senka Vidovic, Faculty of Technology, Department of Biotechnology and Pharmaceutical Engineering, University of Novi Sad, Serbia, 27th of November 2019, Szeged/Hungary.

Strategies for the Synthesis of Simple Mono Fluorinated and Perfluoroalkylated Scaffolds, Prof. Dr. Santos Fustero, Faculty of Pharmacy, Department of Organic Chemistry, University of Valencia, Spain, 16th of October 2019, Szeged/Hungary.

Stereoselective Synthesis of Functionalized Monofluorinated Scaffolds, Prof. Dr. Pablo Barrio Fernandez, Department of Organic & Inorganic Chemistry, University of Oviedo, Spain, 25th of September 2019, Szeged/Hungary.

Diversity-Oriented Synthesis: A Current Trend in Modern Organic Synthesis towards Drug Discovery, Prof. Dr. Pablo Barrio Fernandez, Department of Organic & Inorganic Chemistry, University of Oviedo, Spain, 23-26 September 2019, Szeged/Hungary.

Synthesis of Trifluoromethyl Heterocycles via Palladium-II-Benzyl Intermediates, Prof. Dr. Norio Shibata, Nagoya Institute of Technology, Department of Nanopharmaceutical Sciences & Department of Life Sciences and Applied Chemistry, Japan, 3rd of May 2019, Szeged/Hungary.

Scientific and Educational Symposium, EMUPSS'S National Congress, 13th and 14th of May 2016, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

An Insight to Oncology Pharmacy, EMUPSS, 17.03.2016, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

Breast Cancer Walk, Pharmacy Students Society, EMUPSS, 26.10.2015, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

Impact of Infectious Diseases in Contemporary Society, Nigerian Association of Pharmacy Students NAPS-EMU, Guest Speaker: Asst. Prof. Dr. Emre Hamurtekin, 13.06.2015, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

Career Days, Pharmacy in Academia, Prof. Dr. Mehmet Ozturk, Director of Izmir Biomedicine and Genome Center, 14th of May 2015, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

Career Days, Flora of Turkey as a Source for Medicinal and Aromatic Plants, Prof. Dr. Kemal Husnu Can Baser, Prof of Pharmacognosy, 14th of May 2015, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

Career Days, Career Planning in Pharmaceutical Industry, Dicle Balbay, Head of the Department of Regulatory Affairs of Servier Ilac ve Arastirma A.S, 14th of May 2015, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

Career Days, A New Horizon for Pharmacist, 14th of May 2013, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

Career Days, 21st Century's Pharmacist, 14th of May 2012, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.

Interactive Seminar for Science Educators, 18th of December 2012, Faculty of Pharmacy, Eastern Mediterranean University, TRNC.
