

# Join the Viatriis Summer University!

**A unique opportunity for medical & pharmacy students from grade 3 and above**

The program warmly welcomes both Hungarian and international students who are currently studying at the university.

**Are you curious about the pharmaceutical industry and how it works?** Would you like to explore niche functions such as Quality, Pharmacovigilance, Regulatory Affairs, Market Access, and Medical Affairs?

**Get a firsthand look at the entire journey –** from the development of a new molecule to how the medicine reaches the patient.

**Date: 7-9 July 2025**

**Venue: Viatriis Headquarters, Budapest, Váci út 150.  
1 day site visit in Komárom Operations Site**

**What's in store for you?**

- A 3-day free of charge program, **introducing the world of pharmaceutical industry** at our **Budapest Headquarters**
- Opportunity to **meet the Management** of a pharmaceutical company
- Visit our flagship **Komárom Operations Site** and explore our **Packaging and Quality Departments**
- **Network with fellow students** from across the industry
- Enjoy a **Billy Idol concert** at Budapest Park!

**Seats are limited,**

**so don't miss out on this amazing opportunity!**

Interested? **Register here by 9 May to secure your seat:**

**We look forward to seeing you there!**
