Obtain an active student status: You are required to obtain an active student status **each semester**. Once you complete all the registration requirements, your status will switch into active on Neptun.

Please don't forget: **course registration= payment obligation!!!** If you don't drop your courses until the end of the Neptun course registration period, you have to pay tuition fee for your taken courses!!

Registration requirements:

- **Tuition fee** has to be credited to the University's bank account by September 24, 2024. Please make sure that your fees are paid well in advance so that they arrive by the deadline.
- Valid **residence permit**. Please check on the [NEPTUN](#) (under My Data/ Personal Information / Records) whether you have submitted a copy of your valid residence permit. If it was renewed recently please present the original and a copy to the Registrar's Office.
Please note that you have to apply at the Immigration Office for a renewal of your residence permit card 30 days before it expires!
- Valid **health insurance** (If it was renewed recently please present the original and a copy at the Registrar's Office.)
- **Summer practice** evaluation sheet (if required)
- Settled outstanding balance for **youth hostel fees** and **medical treatment costs**
- Valid **Medical Fitness Certificate** (completed medical check-up by the University Doctor)
- You are required to settle your repeat examination fees before the examination registration period – as unsettled fees on Neptun might block your examination registration.

UNLESS YOU OBTAIN AN ACTIVE STUDENT STATUS BY THE DEADLINE 11th of October 2024, YOUR STUDENT STATUS WILL SWITCH TO PASSIVE AND YOUR COURSES WILL GET DELETED ON NEPTUN. Furthermore, you are not eligible to receive any certificates or academic transcripts until your student status is active. Please note, with the deletion of your courses your payment obligation will remain! You can continue your studies after paying your debt.

Attendance of classes: About the possible absences please ask the instructors of the related departments!

Obligation to report changes to the Registrar's Office: If there is a change in your personal data (address, e-mail address, telephone number etc.) you are required to *notify the Registrar's Office and correct the data in the [NEPTUN](#) yourself* (under My Data/ Contact Information)
If you have to leave Szeged for a longer period of time during the lecture period due to substantial reasons (hospitalization, extraordinary family issues), you need to request permission in writing. Applications have to be handed in at the Registrar's Office.

ATTENTION!

Maximum of 2 failed courses can be carried over to the forthcoming semester as an **Examination Course** (if it is announced by the Department concerned). **Incomplete courses can be taken as examination courses only if the student had at least one examination attempt (failed (1) examination).**

The University of Szeged has **abolished the three course registration limit per subject**. Currently, students can decide to take a non-completed subject as a regular course or as an examination course. Taking a subject as an examination course is still limited in that 1) it can only be taken if the student had previously failed an examination in the subject in question at least one time, 2) not all subjects are offered as examination courses by the departments in every semester, and 3) no more than two examination courses can be taken in any given semester.

Under the present Higher Education Act, students who started their studies in the academic year 2012/2013 and later can repeat the examination in a certain subject 5 times during the whole course of studies!

In accordance with 14.2 of the Academic and Examination Regulations of the University of Szeged, *"an unsuccessful examination may be retaken twice in a given examination period, except for instances in which the student only has a single unsuccessful examination left in the given examination period, in which case — holding a permit issued by the academic office —, he or she may take a third retake examination."*

If you need to repeat at least one—or more—course(s), you are required to fill in the [course registration plan](#). Please read the declaration at the bottom of the plan and note that the list of courses you put on the course registration plan has to be identical to the courses you register for on NEPTUN. If you make any changes to your NEPTUN course registration, you are obligated to fill in or correct your course registration plan. Please note also that you are required to sign up for your courses on NEPTUN yourself at all times, and therefore nothing you put on the course registration will be registered for you.

The completed form has to be submitted in person at the Registrar's Office or by email.

You can refer to **academic regulations** [here](#).
