

EUROPASS CURRICULUM VITAE

PERSONAL INFORMATION

Name Prof. Dr. Dezső CSUPOR DSc
Address Szikra u. 8.
H-6725 Szeged
Hungary
Telephone +36-30 6370943
E-mail csupor.dezso@gmail.com

Nationality Hungarian
Date of birth 19/02/1979
father of three boys (Albert Dezső 2006; Illés István 2010; Zente Félix 2013)
Gender male

EXPERTISE

- Principal areas of expertise
 - phytotherapy
 - phytochemical analysis
 - development of products based on medicinal plants
 - development of food supplements
 - scientific writing & publishing

WORK EXPERIENCE

- Dates (from – to) 2002-
 - Name and address of employer **PharMagist PLC**, Pálffy u. 52, H-6725 Szeged, Hungary
 - Type of business or sector scientific consulting
 - Occupation or position held CEO
 - Main activities and responsibilities consulting in the field of plant-derived products (medicines, food supplements), R&D, scientific publishing
- Dates (from – to) 2023-
 - Name and address of employer **Accredit Laboratórium Ltd**, Budapesti út 9., H-6728 Szeged, Hungary
 - Type of business or sector laboratory services
 - Occupation or position held scientific advisor
 - Main activities and responsibilities laboratory services, R&D
- Dates (from – to) 2021-
 - Name and address of employer **University of Szeged, Institute of Clinical Pharmacy**, Faculty of Pharmacy, Szikra u. 8., H-6725 Szeged, Hungary
 - Type of business or sector research, education
 - Occupation or position held 2023- head of institute, full professor, 2021-2023 head of institute, associate professor

- Main activities and responsibilities education, research
 - Dates (from – to) 2021-
 - Name and address of employer **University of Pécs, Institute of Translational Medicine**, Szigeti út 12., H-7624 Pécs, Hungary
 - Type of business or sector research, education
 - Occupation or position held associate professor
 - Main activities and responsibilities education, research
- Dates (from – to) 2002--
 - Name and address of employer **University of Szeged, Institute of Pharmacognosy**, Eötvös u. 6, H-6720 Szeged, Hungary
 - Type of business or sector research, education
 - Occupation or position held 2023- full professor, 2016-2023 associate professor, 2011-2016 assistant professor, 2008-2011 assistant lecturer, 2005-2007 university assistant, 2002-2004 PhD student
- Main activities and responsibilities education, research

EDUCATION AND TRAINING

- Dates (from – to) 2022
 - Name and type of organization Hungarian Academy of Sciences
 - Title of qualification awarded DSc-degree (title of thesis: Safety and efficacy of medicinal plants and herbal active substances in the light of phytochemical and pharmacological studies)
- Dates (from – to) 2002-2004
 - Name and type of organization University of Szeged, Faculty of Pharmacy
 - Principal subjects/occupational skills covered PhD courses in phytochemistry, chemotaxonomy, biotechnology, biostatistics, ethics
 - Title of qualification awarded PhD-degree (title of thesis: Investigation of the diterpene alkaloids of Aconitum species native to the Carpathian Basin)
 - Level in national classification summa cum laude
- Dates (from – to) 1997-2002
 - Name and type of organization University of Szeged, Faculty of Pharmacy
 - Principal subjects/occupational skills covered courses in pharmaceutical sciences
 - Title of qualification awarded pharmacist (master degree)
 - Level in national classification summa cum laude
- Dates (from – to) 1997-2002
 - Name and type of organization University of Szeged, Faculty of Pharmacy
 - Principal subjects/occupational skills covered English-Hungarian medical translator courses
 - Title of qualification awarded English-Hungarian medical translator (master degree)
 - Level in national classification summa cum laude

LANGUAGES

MOTHER TONGUE **Hungarian**

OTHER LANGUAGES

	English	German
• Reading skills	excellent	good
• Writing skills	excellent	fair
• Verbal skills	excellent	fair

ADDITIONAL INFORMATION

R&D activity

participation in the development of food supplements

participation in the registration of traditional herbal medicinal products

Teaching activity

supervisor of 17 PhD students (5 earned PhD degree)

2010- lectures in naturopathy

2009- lectures in phytotherapy for pharmaceutical students in English

2008- lectures in phytotherapy for medical students

2004- lectures in phytotherapy for pharmaceutical students

2001- tutor of laboratory practice in pharmacognosy

PUBLICATIONS

Selected scientific papers

INTERNATIONAL CO-OPERATIONS

Muh. Akbar Bahar –Hasanuddin University, Indonesia

Prof. Fang-Rong Chang - Kaohsiung Medical University (KMU), Taiwan

Prof. Rudolf Bauer - Karl-Franzens Universität, Institut für Pharmazeutische Wissenschaften, Graz, Austria

Sana Mezghani - Laboratory of Functional Neurophysiology and Pathology Department of Biological Sciences, Faculty of Science of Tunis, University Tunis El Manar, Tunisia

Simplice Joel Tatsimo Ndendoung - University of Maroua, Maroua, Cameroon

Prof. Károly Csedő - University of Medicine and Pharmacy of Târgu Mureș, Târgu Mureș, Romania

Amira Mansour - Laboratory Of Functional Organic Analysis, University of Science and Technology Houari Boumediene of Algiers, Algiers, Algeria

Cziple Szilvia - Comenius University in Bratislava, Faculty of Pharmacy, Bratislava, Slovakia

AFFILIATION

2019-2022 Hungarian Young Academy, member

2018- World Journal of Traditional Chinese Medicine, member of the editorial board

2018- Frontiers in Ethnopharmacology, editor

2017- National Institute of Pharmacy and Nutrition, member of the scientific advisory board

2015-2017 Society for Medicinal Plant and Natural Product Research, member of the Advisory

Board

2015- ESCOP (European Scientific Cooperative on Phytotherapy), member of the scientific committee
2013- president, Medicinal Plant Section of Hungarian Society of Pharmaceutical Sciences
2008-2013 member of the Working Party on Community Monographs and Community List, European Medicines Agency
2010-2013 alternate member of the Committee on Herbal Medicinal Product, European Medicines Agency
2010- editor in chief of Pharma & Flora (Hungarian Phytotherapeutic Journal)
2009- member of the Society for Medicinal Plant and Natural Product Research
2008- editor of Magyar Családorvosok Lapja (Journal of Hungarian Family Physicians)
2003- member of the Phytochemical Society of Europe
2003- member of the Hungarian Pharmaceutical Society
2003- member of the Hungarian Chamber of Pharmacists
2004- member of the Hungarian Society for the History of Pharmacy

DECORATIONS

2023. Apáczai Cere János prize
2017. Bruckner Győző-prize (junior)
2010. Végh Antal prize
2010. Antal Végh prize
2006. Anoli prize
2002. István Novák prize

GRANTS

2023- Hungary-Morocco R&D grant
2018-2019. Bolyai+ research grant
2016-2019. Bolyai János research grant of the Hungarian Academy of Sciences
2015-2019 Hungarian bryophytes as potential sources for pharmacologically active substances (Hungarian Scientific Research Fund, principal investigator)
2013-2014 Zoltán Magyary Grant
2008-2010 Investigation of biologically active compounds of Hungarian Centaurea species (Hungarian Scientific Research Fund, principal investigator)
2007. Hungarian State Eötvös Scholarship, Graz, Austria, Karl-Franzens Universität, Institut für Pharmazeutische Wissenschaften, 5 month scholarship (supervisor: Prof. Rudolf Bauer)
2007. Osztrák-Magyar Akció Alapítvány – Graz, Ausztia, Karl-Franzens Universität, Institut für Pharmazeutische Wissenschaften, 1 month scholarship (supervisor: Prof. Rudolf Bauer)
2007. ARGE Alpen-Adria Research Grant
2006. Richter Gedeon Centenary Fund

Szeged, 28/10/2025
